

The T.T.R.A is open only to men and women who have **started** in a TT Race in the Isle of Man.

In consequence it is a most exclusive "Club" and yet one of generosity and charity. An extract from the Minutes of the Founder Meeting is as follows:

"That the objects of the TT Riders Association be purely social or benevolent in character; that the influence of the Association never be used for any political, industrial or commercial aims, and that the Association shall not at any time interfere in the government of the sport".

Membership in 1951 was £1 but it is now £45 for life but thanks to its Patrons and its many friends the T.T.R.A is able to contribute very handsomely to charity, and especially to cater for T.T Riders or their dependants in need, and to provide exclusive T.T.R.A facilities in the paddock area at the T.T Races on four traditional race days.

The "38th Milestone" is our hospitality centre. This will be maintained together with the M.G.P.R.A as joint owners.

The Association's Annual Luncheon in the autumn is regarded as a "High Spot" in the social calendar. All members receive two Bulletins a year. All members receive AGM details and accounts of the T.T.R.A if requested.

If you ride or rode the T.T Races solo, sidecar or as a passenger, this friendly Association will continue to remind you of the companions of your day, the pleasure and challenge of the most demanding circuit in the world, and of the event itself. You only have to have ridden in a race. Finishing a race is not a qualification, starting is.

Above all the T.T.R.A is an Association of friends that maintains the spirit of the T.T around the world. Additionally we now have an "attached" body The Friends of the T.T.R.A. for non-riders who wish to support the TTRA. Details on application. Only T.T.R.A members can nominate a "friend".

I have started in the world's greatest motorcycle road race and YES I would like to be considered for membership.
